For: Carbohydrate-Binding Modules of a New Family

REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This application was filed on April 19, 2006 as a national phase application of PCT/DK2004/000734. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of Danish Application No. PA 2003 01607 filed on October, 30, 2003 and U.S. provisional application no. 60/515,927 filed on October 30, 2003.

The filing receipt received by Applicants contains the following errors:

1. In the Foreign Priority section, the Danish Application No. is omitted.
2. In the domestic priority data, the U.S. provisional application is omitted.

Applicants therefore request the issuance of a corrected filing receipt with complete domestic and foreign priority data.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: July 15, 2008
